

10 Things Leaders Need to Know About Effectively Leading People

Pastor Perry Noble of NewSpring Church gives the following list for leaders who lead people:

#1 - A leader cannot effectively lead people that he does not love.

#2 - A leader cannot effectively lead people that he does not listen to.

#3 - A leader cannot effectively lead people that he does not always assume the best about.

#4 - A leader cannot effectively lead people that he secretly hopes that they fear him.

#5 - A leader cannot effectively lead people that he does not take the time to explain things to.
