

5 Indicators That Your Church's Average Age Has Increased Without You Realizing

- #1 The senior pastor has been there for over 10 years and is still preaching over 90% of the time. (No team presence)**
- #2 You could not tell the difference between the worship (music, praise, liturgy) last Sunday and a video of worship 5 years ago.**
- #3 There are no leaders under age 40 among the top twelve leaders.**
- #4 There is no one under age 40 participating in the worship planning, programming or leadership.**
- #5 A majority of the top leaders still laugh about the fact they don't do social media.**
