Our Mission

Our Values

... the 7 core values are [posted here.](#)

The Five Faith Catalysts (We call these mission measures on the Vision Frame)

1. **Practical Teaching**
2. **Providential Relationships**
3. **Private Disciplines**
4. **Pivotal Circumstances**
5. **Personal Ministry**

Because Andy is so intentional I admire the way he keeps the Five Faith Catalysts in front of their people. Here are two examples that are great benchmarks to learn from. The first is how he introduces them to new believers. The second is how they create a unique website to support sermon series on the Five Faith Catalysts.

The FIRST EXAMPLE is Starting Point: Check out how the the Five Faith Catalysts are introduced into small group material for new believers and “new to church” folks in this piece by Andy called [How Do People Grow](#)

The SECOND EXAMPLE is the Five Things God Uses Website: Check out the media, notes and curriculum at this tool that supports the sermons series on the Five Faith Catalysts [here.](#) If you want to learn more about these, be sure to pick up Andy’s book, Deep and Wide.

I hope this inspires you to “frame up” the four sides of your church’s DNA. Also, if you have completed your Vision Frame recently, I would love to hear about it!
