

## Merry Christmas, and Have a Visionary New Year!

### *Seasons Greetings from Will Mancini and the entire Auxano Team!*

We pray that this season of celebrating the birth of our Savior draws you and your family closer to Christ and to each other.

Please enjoy a gift from our team to yours: "Pursuing God Dreams" the opening chapter from Will's new book, *God Dreams* available January 1st.

"Pursuing God Dreams" is a powerful way to jump start the communication and planning of your vision for 2016.

Thanks again for leading with clarity.

*Merry Christmas, and have  
a Visionary New Year!*
