

When Your Tank Runs Dry... Sustaining Healthy Ministry by Making a Pit Stop

*Below is a weekly series posting content from one of the most innovative content sources in the church world: **SUMS Remix** Book Summaries for church leaders. Sums Remix takes a practical problem in the church and looks at it with three solutions; and each solution is taken from a different book. As a church leader you get to scan relevant books based on practical tools and solutions to real ministry problems, not just by the cover of the book. Each post will have the edition number which shows the year and what number it is in the overall sequence. (SUMS provides 26 issues per year, delivered every other week to your inbox).*
